Yes / No

Information

To provide high standard of medical care we need to collect personal information from our patients. This information is usually collected from the patient but may be collected from family members and other health care provider's with the patient's consent. At times some of the information needs to be shared with other health care providers or we may be legally bound to disclose personal information. All persons accessing your personal health information are bound to confidentiality. Please do not hesitate to discuss any concerns, questions or complaints about any issues related to the privacy of your personal information with your Doctor.
